**Announcement:** Vice chair mentioned election committee is looking for questions for candidates and how to submit question.

**Guest Speaker:** Joyce Jung presented the 3M Northside Improvement plan, and how the fund will be allocated on the 5000 acres of land. The land that has been considered for the improvement project has been in the family for many generations, and the family believes it will be a great tribute for their family history.

Jung also spoke on the importance of creating our next generation of farmers and how important it is to keep Riverside Farming Growing. The average age of farmers in Riverside is 62

**Crime and Safety:** Lt. Townsend briefed on two crimes in Downtown Area. Reminds attendees to remain vigilant. Townsend briefed on "Active Shooter Training being help at the Fox on Feb 26<sup>th</sup>.

### **Councilman Gardner Update:**

Councilman Gardner briefed on the new library approval, The Cheech, and the city is looking into adopting second structure for previous homes.

**Guest Speaker:** Riverside Community Hospital, Wendy McEuen, Stop the Bleed. McEuen passed out a flyer and briefed on the importance of being prepared for such incidents. We are more then likely to have a home injury then and active shooter incident. Every ounce of preparedness is wise. There are special A.E.D. kits you can order on-line that includes items to help stop a bleed or you can purchase items separately and create your own custom kit or add to your current first aid kits. Some item needed latex free gloves, gaze, tourniquet, and trauma shear. McEuen reminds us

“Doing something is better than doing nothing”.
